

BEAR TRACKS

Congratulations and thanks to the yearbook staff! It may have been the end of July when they finished this book, but that is really just an indication of the tremendous volume of work they completed this year. This year's staff of thirteen students started the school year knowing they had to complete much of last year's book. Through the year, half of our staff members were often occupied with other activities, work, or studies. The rewards for the staff won't be large or easily evident to others. The rewards will be pride, satisfaction, and some recognition in this book. I thank all of the staff members for their patience, creativity, insight, and especially time. Sarah Rothzen deserves special recognition for her tireless efforts in every phase of the book's production. The quality, accuracy, and timing of this publication would not have been possible without Sarah's abilities and persistence.

Yorkwood students are fortunate to be able to purchase a yearbook at half the price many schools ask. For this, thanks goes partly to the junior high for its support of the program year after year. Thanks should also be given to all students who donated or suggested ideas, pictures, or special abilities to the staff. It should be remembered that the future of the Beartracks program depends on the purchases and contributions of the student body, not just the efforts of the yearbook staff.

John Rowley and Brent Sharer led this year's Bear Attack.

These Senior boys showed leadership and determination for the younger Bears. They will leave many positions open, but the younger Bears will meet this challenge. Front row: S. Darrah, T. Fredrickson, J. Rowley, J. Hall, G. Bulen. Back row: Coach Scott, C. Dutton, B. Sharer, S. Cavanaugh, Coach Graves.

The Varsity cheerleaders spent one week at WIU at a camp sponsored by USCA. It was filled with hard work, determination, and of course a lot of laughter. They learned many cheers and techniques. That is where "How Funky is your Chicken" started. They also played a very important role in raising school spirit. Remember that dreadful spirit box at homecoming? It can sure put a lot of pep in some people . . . RIGHT . . . DENISE. They have done a super job and we would just like to say Thanks . . .

Front Row, Left to Right: J. Rowley, M. Stoutt, T. Cosgrove, Advisor Mr. Johnson, C. Coburn, B. Hall, B. Dutton, and J. Rowley. Back Row, Vice-President S. Albert, President, J. Rowley.

The Student Council is a group who represents the student body to the Board of Education and to the Yorkwood community. Their job is to relay student suggestions and criticisms.

This year the Student Council has been doing just that. They successfully fought for and won the right to alter certain rules in the student handbook regarding the search of a student and his personal property.

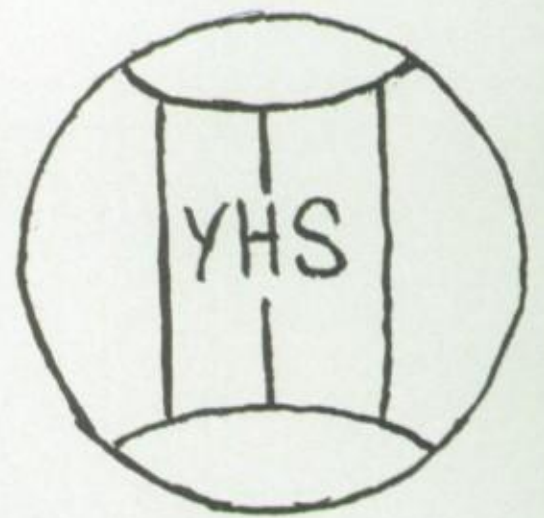

The Student Council takes on the responsibility of homecoming and Christmas activities. These include the following: dress-up days, pep assembly for homecoming, movie, and Christmas tree. The Student Council tries to organize the school assemblies and extra activities, in a way that we can enjoy school more.

President John Rowley and Vice-President Steve Albert would really like to see more kids involved. They are eager to make changes as best they can to make Yorkwood a better and more enjoyable place to be. Without our suggestions, the student body's, they cannot do their job as effectively.

This year's art team received eighteen first places and seven second places in the Bi-County Art Contest. Some of these talented students went on to the Town and Country Art Contest bringing home eleven firsts, four seconds, and five participation awards. In the Galesburg Civic Gallery Invitational, the following were honored: Monita Presswood, Ann Hays, Rod Link, Joan Nelson. Monita also received honorable mention at the Town and Country Art Contest. SPEECH CONTESTANTS

Julie Reynolds

Vicki Boock

Memorizing the reading "Alberta at the Beach," Julie Reynolds and Vicki Boock participated in Dramatic Duet Acting at Bi-County Speech Contest and Illinois District Speech Contest. Julie, a delightful eight year old brat named Alberta, had one afternoon to learn to swim in Puget Sound; Vicki, alias Mrs. Appleby, was paying a "p-plumped-up" deaf woman "a whole dollar" to teach Alberta to swim. The girls received first place at Bi-County and third place at District.

Alice Hawk

Alice Hawk won first place in the Prose Reading at Bi-County Speech Contest. She worked diligently to perfect the three short stories required for her category. Alice had some excellent and encouraging comments from her judges at District.

This year the Athletic Club once again sponsored the Yorkwood Open Wrestling Tournament. It was very successful. Over 400 wrestlers came from all over Illinois and Eastern Iowa with one group traveling from as far as Oak Park near Chicago to participate in our tourney. Many volunteers helped to clear well over \$2,500 for the athletic club. The volunteers were members of the student body, faculty, and many parents, who donated their time, food, and money to make the tournament a success. This was the main money making event for the club. Most of the money helped buy a new video-tape machine which will be used in various ways. A weight-lifting hydra-gym was also purchased. Many students will benefit from these things. So let's help support our athletic club, whether by donation or attendance to the events. Remember, they're representatives of Yorkwood.

HIGH SCHOOL IS . . .

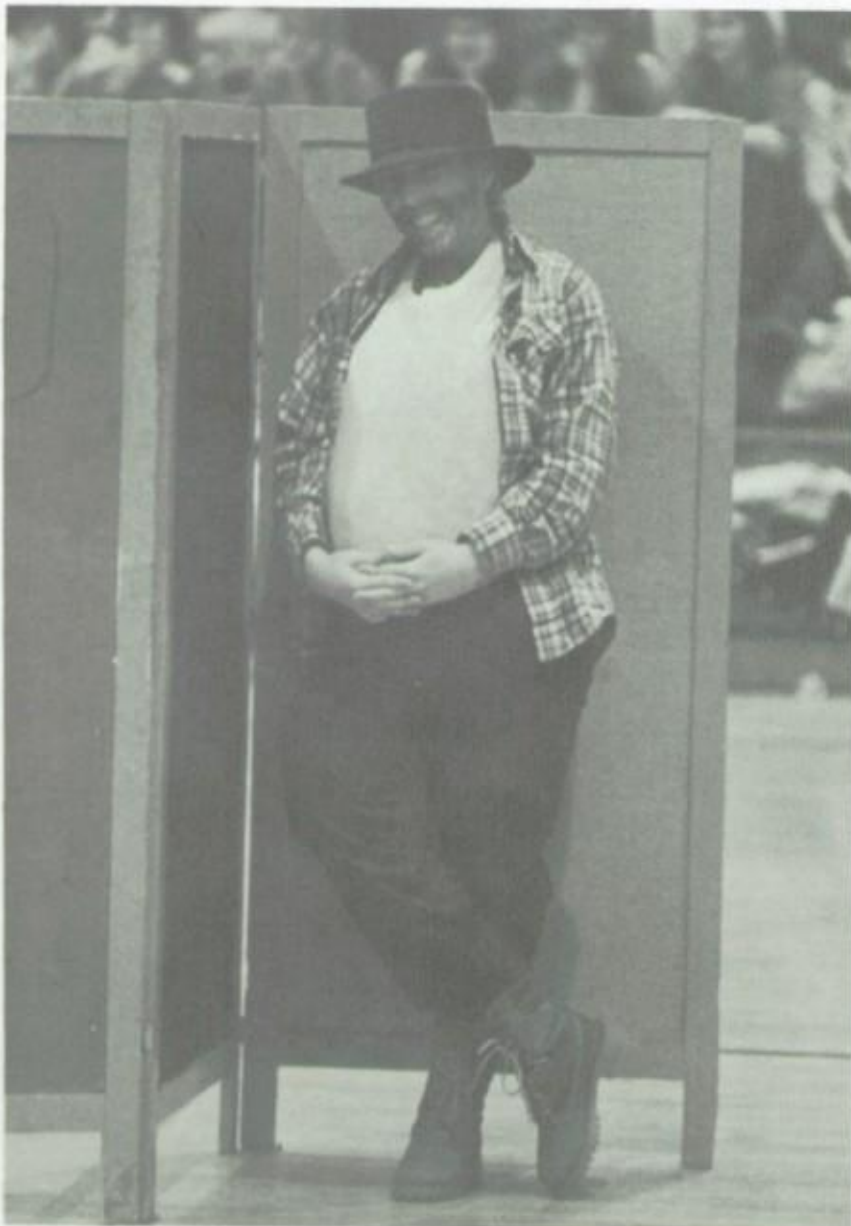

challenging.

sometimes a blow to your image.

seeing the better side of things.

clowning around.

enjoying those special times.

finding out the cost of prom.

always working hard.

making friendships for a lifetime.

reaching high for the things you want.

cozy, if you have a date for homecoming.

listening, and sometimes dancing to popular bands at homecoming and prom.

Always . . . the best for less
